

Brownie Mix Cookies

Ingredients:

- 1 box of brownie mix (519 grams)
- 1/4 cup + 2 tbsp flour
- 1 cup semi-sweet chocolate chips
- 1/4 cup vegetable oil
- 2 eggs
- 1 tsp vanilla
- 3 tbsp water

Directions:

Preheat oven to 350 F. Lightly grease a baking sheet (or use a silpat on the baking sheet).

Combine brownie mix, flour, and chocolate chips in a bowl. Add in the oil, water and eggs (lightly beaten) and mix together. Drop by spoonfuls of dough 2 inches apart onto prepared baking sheet. I like to roll them into balls and flatten them slightly with a fork. The dough is sticky, so if you are rolling them into balls, you will have to stop and moisten your hands with water occasionally.

Bake in preheated oven until cookies are just set, about 9-10 minutes. Let cool on baking sheets for a few minutes before removing to a wire rack to cool completely.
